

In collaboration with our colleagues at the Buffalo Niagara Medical Campus, the University has developed a tiered plan of options that includes transit and shuttle transportation to and from the BNMC, as well as parking ramp/lot options.

As part of the plan, you will have the option to register for a free NFTA Transit Pass. UB, through the BNMC, is subsidizing \$65 towards transportation for all existing medical school employees to access parking or transportation options related to the relocation of your work at the new Jacobs School of Medicine and Biomedical Sciences located on the BNMC.

This will completely cover the cost of a rail pass, making this option free for UB employees working at the medical school on the BNMC. This is a cost-effective and easy way to get to and from the BNMC, while maintaining your current parking routine on UB's South Campus.

Please complete the attached form and return via email to parking@bnmc.org. Questions can be directed to the BNMC at 716/218-7351.
